Subject: Modification of [] Model 918 Light Table

Dear Sir:

Thank you for your cost estimate on the [] Model 918 Light Table modification. We do not have the funds for this project at this time. However, we would still like you to perform this modification for us during the next fiscal year.

We have discussed this with [] of your staff and he suggested that we return the cost estimate to you unsigned and that you in turn would re-submit it to us at the beginning of Fiscal Year 1967.

Therefore we are enclosing the cost estimate and hope to hear again from you about the end of June.

Sincerely,

[]
